

D6593B

Flip-Top Multimedia Table / Floor Socket

Description

The flip-top multimedia table/floor socket provides users with a compact and aesthetically pleasing connectivity solution. It adopts a simple and user-friendly access design. When connecting video, audio, network, power, and other interfaces, gently lift the top cover of the socket and open it backward to reveal the multimedia interface panel. Connect the required interfaces as needed. After use, simply close the cover. All interfaces are cleverly hidden, keeping the surface clean, tidy, and seamlessly integrated with the environment.

Features

- Concealed socket design specifically developed for office and conference environments.
- When not in use, the socket sits flush with the tabletop or floor, maintaining a neat and elegant appearance.
- The panel is treated with anodizing and brushed finishing, ensuring durability and a premium look.
- Multiple interface combinations to meet conference and office application needs.

Specifications

Model	D6593B
Structure	Flip-top type
Interfaces	USB ×1, Ethernet ×1, 3.5mm audio ×1, HDMI ×1, VGA ×1, power socket ×1
Rated Voltage	110V–240V
Rated Current	10A
Operating Temperature	0–45°C
Product Dimensions	175 × 130 × 83 mm (L × W × H)
Cut-Out Dimensions	166 × 121 × 81 mm (L × W × D)
Product Weight	0.9 kg
